

POST PRIMARY TRANSFER CONSORTIUM

GUIDANCE NOTES

The post-primary schools listed at the end of this guidance are all using the same standardised Entrance Assessment in English and Mathematics for the Transfer of children to Year 8 in September 2011. An Irish Medium Entrance Assessment is available.

- **Parent(s)/Guardian(s) who may wish to make an application to one or more of these schools on behalf of their child should complete the accompanying Registration Form.**
- One Registration Form covers all the schools listed.
- Registration will enable arrangements to be made for the child to sit the Entrance Assessment in one of the schools.
- The child will not have to sit different Entrance Assessments for different schools in the list. Assessment outcomes can be shared among the schools listed at the end of this document.
- There is no charge for registration or for taking the Entrance Assessment.

Children with a Statement of Special Educational Needs

If your child has a Statement of Special Educational Needs, placement in a post-primary school is arranged through the relevant Education and Library Board. There is no requirement for him/her to sit the Entrance Assessment.

PLEASE READ THIS GUIDANCE CAREFULLY TO HELP YOU COMPLETE THE FORM

Filling in the Form

- Use black ink only
- Write clearly in BLOCK CAPITALS
- Attach a recent passport sized photograph of your child for identification purposes, with the child's full name and date of birth written clearly on the back
- Include a birth certificate (not a photocopy) to verify the child's date of birth. This will be returned to you.
- Sign and date the form where indicated
- If you have difficulty completing the form, advice may be obtained from any school on the list.

SECTION 1 – Personal Details

SECTION 2 – Contact Details

Personal contacts (mobile telephone number or landline where you can be contacted) must be provided for use by the assessment centre if necessary. An address is needed so that information can be posted.

SECTION 3 - Access Arrangements to enable children to sit the test

- Under the Disability Discrimination Act 1995 a person is considered to have a disability if he/she has a physical or mental impairment which has a substantial and long term adverse effect on his/her ability to carry out normal day to day activities. If your child meets this definition of disability, please tick the first YES box in Section 3; otherwise tick the NO box.
- If your child has any special educational needs, disabilities or other factors for consideration which might require reasonable adjustments to be made to the assessment process, please tick the second YES box in Section 3; otherwise tick the NO box.
- If your child requires Access Arrangements please complete Form AA1 marked "Access Arrangements" and attach it to your Registration form. Make sure you give details of the reasonable measures needed to allow your child to sit the assessment; you should also contact the school directly to verify any arrangements to be put in place.
- A complete Special Access and Special Circumstances Policy is available in paper copy from the schools listed in these notes or may be downloaded from the school's websites. Parents considering applying for Access Arrangements should obtain a copy and study its contents before completing the Registration Form.

SECTION 4 – Assessment Centre Location

The schools in the Consortium are working together to ensure that every child is placed at an Assessment Centre. We need to know three schools (Assessment Centres) in order of convenience, where you would like your child to sit the assessment. In the event that an Assessment Centre receives more applications than the places available for sitting the assessment, date of receipt of application may be used to determine which children will be placed in their Assessment Centre 1; in such cases priority will be given to earlier registrations. You are encouraged to submit your Registration form as soon as possible

SECTION 5 – Irish Medium Entrance Assessment

An Irish Medium Entrance Assessment is available. If you want your child to sit the Irish Medium Entrance Assessment, tick the box in this Section. If the box is left blank your child will be given the papers in English.

SECTION 6 – Special Dietary or Medical Requirements

Assessment Centres may provide a healthy snack. The Assessment Centre will need to know if your child has any food allergy. Additionally the Assessment Centre must be informed of any relevant medical requirements, for example if your child would need to use an inhaler during their time at the Assessment Centre. Please note that Assessment Centres will not administer medication.

If this Section applies to your child tick the box, complete Form AA1 marked “Access Arrangements” and submit it with the Registration Form.

Where a child sits the Supplementary Entrance Assessment because he/she started the Entrance Assessment on 20th November but was unable to complete one or both papers then the outcomes from 20th November will NOT be used and only the Supplementary Entrance Assessment outcomes will stand.

Initial Claims for Special Circumstances

If you feel that your child's performance in the assessments has been affected by a medical or other problem you should register a claim for Special Circumstances. The deadline for registering your initial claim is 4.00pm on Friday 17th December 2010.

To register your claim for Special Circumstances, you should complete a Special Circumstances Registration Form, available from the school at which your child sat the assessment, outlining your reasons for claiming. When you complete the Transfer Form in February 2011 you should provide full details of the Special Circumstances and independent supporting evidence. Where the problem was a medical one which affected the child at the time of the assessment, the school will require evidence that the child was examined by a medical practitioner in relation to the medical problem, around the time of the Entrance Assessment.

Initial claims for Special Circumstances should be sent to the "ENTRANCE ASSESSMENT OFFICER" at the school where the assessment was taken. If you would like receipt of this form to be acknowledged please enclose a Stamped Addressed Envelope.

**The completed registration form should be returned by post to the:
"Entrance Assessment Officer" at the school which you have
nominated as Assessment Centre 1.
THE DEADLINE FOR RECEIPT OF THIS FORM IS

NB It is the responsibility of parent(s)/guardian(s) to ensure that this Registration Form and any additional information is received by the post primary school by the stated deadline. If you would therefore like receipt of this form to be acknowledged, please enclose a Stamped Addressed Envelope.

PROOF OF POSTING CANNOT BE ACCEPTED AS PROOF OF DELIVERY

Forms received after the date and time stated above will only be accepted for registration if you provide appropriate documentary evidence in support of an acceptable reason for late registration. In such cases, you should approach your local Assessment Centre.
